## 1 Preference testing

In this section, you will be presented with 2 variations of layouts from our application. You are asked to pick your preference and answer the questions about your choice.

### 1.1 Dashboard

- Which design would you prefer for the "Dashboard" screen?
- Which design feels more intuitive?
- Which design is more visually appealing?

### 1.2 Friend list

- Which design would you prefer for the "Friends list" screen?
- Which design feels more intuitive?
- Which design is more visually appealing?

### 1.3 Navigation

- Which design would you prefer for navigating between screens?
- Which design feels more intuitive?
- Which design is more visually appealing?

### 1.4 Issue loan

- Which design would you prefer for the "Issue loan" screen?
- Which design feels more intuitive?
- Which design is more visually appealing?
